Hindle High is situated in Delft, Western Cape and opened its doors in January 2009. This school has overcome a variety of challenges to become the school it is today. Delft and the areas surrounding it are known for the gangsters, drug abuse, teenage pregnancies, ineffective and inadequate parenting.

When the school opened its doors there were only 381 learners it now has over 800 learners who attend the school. Hindle High caters for students from Grade 8 till Grade 11 and will expand to Matric next year. All this would not have been possible without the generous donations received.

In March a "spogaand" was held and was a huge success. All the individuals who attended looked amazing and we really appreciate all the effort, resources and time that all of you have put into Delft to make it the success that it is today.

The "Blommemeisies" had created stunning quasars which were on sale. These were made with a lot of time and love and really added that special something to the evening. These special young ladies are Jane Davis, Zandre Kalse, Megan Manuel, Raynisa Lakay, Samantha-Lee Lewis, Leandra Jacobs and Natasha Larnay.

Our "Leeskamer" students have really been working really hard this year and eight of our students entertained all with self written and well known poems. Donlee Faro, Darren Marshall, Simone van den Heever, Meagan Jacobs, Elmerencia Slavers, Doreen Ligman and Chad Matthews. Helena Conradie then did three amazing skits and really showed everyone her passion for the arts. Helena we would just like to Thank You for all the effort you have put into the Afrikaans leeskamer group. We really appreciate it and so do the students you teach. You really make a difference in their lives.

Several programmes focussing on the development of our youngsters' potential and positive functioning are presented at the school, such as the "BlouBus" which is implemented in Hindle High and highlights the importance of Christian principles. It is really amazing to see the way that God is moving in a community where the youth have to constantly battle their everyday issues. Thank You to BlueBus-workers Marius, Izanette, Priscilla, Marli, Claire and Johan for all their help.

We would just like to thank you all for everything that you do to make Hindle High a success.
